

# G.A.M.A Membership Renewal Information

## Current Members Only

The renewal of your membership in the Georgetown Aero Modelers Association requires you to be a current member of the Academy of Model Aeronautics (AMA). AMA membership provides you and A.M.A. with liability insurance. You will also receive a monthly magazine as well as additional mailings. You may also receive a monthly newsletter via email if you sign up for that service.

You may obtain additional information about the AMA membership dues, membership categories and the application form by visiting the AMA web site at [www.modelaircraft.org](http://www.modelaircraft.org). You may also obtain an AMA membership application from some hobby shops or you may contact one of the G.A.M.A. officers for assistance. No one may fly at the G.A.M.A. flying field without a valid AMA membership card.

Once you receive your AMA membership card you may submit your membership renewal application in the Georgetown Aero Modelers Association. The G.A.M.A. Membership (regular or senior) is a family membership and includes you, your spouse and any children under the age of 18 who are living in your household.

### Steps to Renew your G.A.M.A. Membership

1. Complete the G.A.M.A. Membership Application form checking the appropriate renewal box(s).
2. Read the Safety Rules and **SIGN** the G.A.M.A. Application form.
3. Enclose a copy of your current AMA Membership card(s). A current AMA Membership card is required for **EACH FLYING** member of your family.
4. Include a check or money order payable to GAMA that includes the appropriate fee for a **regular** family, **senior** family or **student** membership.
5. Include a stamped self addressed #10 envelope so that we may send your new G.A.M.A. membership card(s) to you.
6. Mail all the items above to \*:
